EDUCATION DEPARTMENT.

UNIVERSITY OF MYSORE.

Notification No. 1728, *dated* 30*th August* 1918.

To Ordinance 72 of the First Ordinances of the University add the following :—

"Note: The principle of the ordinance will be given effect to in practice as follows :—Credit shall be given at the B. Sc. degree examination to the class work of the candidates and to class examination marks obtained by them during the course. The University Boards of examiners shall at the time of the examination for the degree call for the record of the class work of the candidates during the second and third years of their course and for the class examination marks obtainad by them during the same period.

Equal credit shall be given to the class work and the class examination marks and the maximum for the two together shall be 20 per cent of the total maximum allotted to each subject in the University Examination."

(Government Order No. 882—Edn. 64-17-32, dated 27th July 1918.)

THOMAS DENHAM,
Registrar.

OFFICE OF THE INSPECTOR-GENERAL OF EDUCATION.

Notification D. No. *dated* 10*th January* 1918.

The Officiating Inspector-General will be glad to see Government Officers, visitors and other gentlemen on business at his office on every Thursday, not being a gazetted holiday, between the hours of 12 noon and 4 P.M.

During his absence on tour from Headquarters, the Deputy Inspector-General of Education or the Assistant to the Inspector-General of Education, will receive visitors and attend to them.

Notification D. No. 20, *dated* 12*th August* 1918.

The following extract from a recent Government Order revising the number and rate of Medical Scholarships offered by the Mysore Government is published for general information :—

As there is at present paucity of qualified candidates in the Medical Department and as further the institution of the Medical Faculty in the Mysore University has been postponed, Government consider that special facilities should be afforded to candidates desirous of studying for the Degree in Medicine with Colleges at Madras and Bombay. They are accordingly pleased to direct that the number of Medical Scholarships be increased to six for the next five years. The present rate of scholarships, *viz.*, Rs. 25 per mensem which was fixed years ago being inadequate, Government are pleased to direct that during the above period the value of each of these scholarships be fixed at Rs. 40 the graduates and Rs. 30 in the case of others.

Notification D. No. 22, *dated* 20*th August* 1918.

1. The Public Examination held under the scheme for the award of Secondary School-Leaving Certificate shall begin on the fourth Monday in March every year, unless it be a holiday authorised by Government, when the Examination will begin on the next working day.

MYSORE S. S. L. C. SCHEME.

In supersession of the syllabus prescribed in Human Physiology to be studied as part of Elementary Science in Notification D. No. 111, dated 7th June 1918, the following revised syllabus is published for general information :—

For the IV Form :—

"The parts of which the human body is made up. The mechanism of movement. The nature of blood and its circulation. The change of blood (1) by air (respiration) and (2) by food (digestion). Elemination of waste from the blood."

For the V Form :—

"The functions of the Central Nervous System and of the Sensory organs."

[The portion for the V Form will be done during the periods provided for revision in the Elementary Science syllabus, and by adjustments.]

Books Recommended :—

Foster's Primer of Physiology will be used for the Elementary Course and Foster and Shore's "Elementary Physiology for Beginners" for the Optional Course. Both these books are however to be used for general guidance only and not as texts, the lectures of the teachers being illustrated as far as possible by practical demonstration.

C. R. REDDY,
Offg. Inspector-General of Education.
